

The Sewing project

Learn how to sew

Learn some basic hand stitch types

Create a useful decorated pouch for storage, placemat or bookmark.

Design and complete an individual project.

Present your exciting creation on the last day of the Pilot Programme

Materials which will be provided:

Fabric

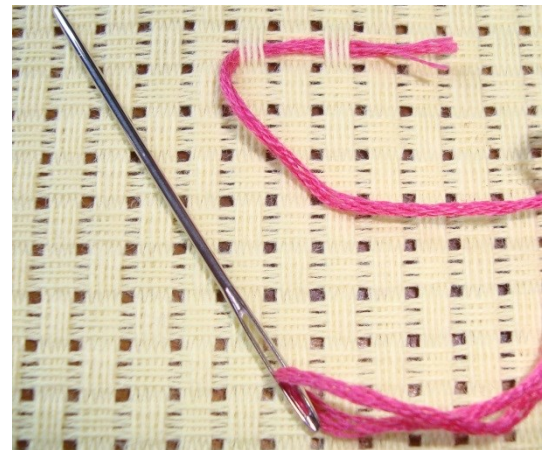

Embroidery needles

Embroidery thread

Scissors

Buttons

Paper to create your designs

For the sewing project a fabric commonly known as Binca or Aida will be used to practice some embroidery stitch types such as cross stitch, back stitch, running stitch, zigzag and sewing buttons.

You can then work with a partner to create and complete your own project which will then be presented on the last day of the Pilot Programme.
